Towerblock Demolition & Pylon Grounding

BID PROPOSALS

The 3 tower blocks off Bells Lane - Saxelby, Kingswood and Barratts - when demolished will free up land for new development.

The relocation of the pylons underground will also free up land for new development and improve views across the Dell and Village Green.

New homes can be provided on these free sites and will compliment the existing and strengthen the street scene.

Key

- Existing
- Proposed housing
- Proposed shops
- Pylons and overhead cables
- Proposed diversion of underground cables
