Site Plan

BID PROPOSALS

Emerging Vision:

"A village centre, safe and easy to get about the estate and beyond, a local park, play facilities, community amenities and sports pitches opening out through the designated Village Green on to the canal and adjoining communities. Good local shops, spaces for community entrepreneurial start-ups, good local schools and access to secondary schools/ colleges and local employment. High quality, safe and sustainable homes that are tenure blind with opportunities to access assisted home ownership."

Key

- Towerblock Demolition and Pylon Grounding
- Village and Community Centre
- Village Green and Dell Betterment
- Canal Footbridge
