

# Village and Community Centre

## BID PROPOSALS

### Emerging Vision:

“ A village centre, safe and easy to get about the estate and beyond, a local park, play facilities, community amenities and sports pitches opening out through the designated Village Green on to the canal and adjoining communities. Good local shops, spaces for community entrepreneurial start-ups, good local schools and access to secondary schools/ colleges and local employment. High quality, safe and sustainable homes that are tenure blind with opportunities to access assisted home ownership. ”

## BID PROPOSALS

This proposal shows initial designs to combine the Library, Manningford Hall and the Youth Centre. All 3 elements are linked with an atrium which doubles up as a flexible community space.

See the labels on the drawing to understand the activity for each space.
